Dear Sir/Madam,

I am a third-year Computer Engineering undergraduate at the Faculty of Engineering, University of Ruhuna. I am a passionate, self-motivated, reliable, responsible, and hard-working individual. I am writing to inquire about the possibility of doing an internship at your esteemed organization to gain practical experience in the field of Artificial Intelligence and Machine Learning engineering.

I have completed several university projects related to Artificial Intelligence, Machine Learning, and web application development, where I have gained hands-on experience with various technologies. Through these projects, I have developed strong analytical and problem-solving skills, as well as the ability to work effectively in a team environment.

I am confident that my skills and enthusiasm make me a strong candidate for your internship program. I am eager to learn, contribute to your team, and gain valuable industry exposure to enhance my career in AI and Machine Learning.

Thank you for your time and consideration. I look forward to the opportunity to discuss my application further.

Yours sincerely,
Tharindu Dhanushka Bandara
